# CHAMPION CHEERNASTICS

## RELEASE FORM

The main emphasis of this class is tumbling, coordination and strength building. We will also work on jumps, dance, endurance, motions and when the time and class size permits, stunts.

This class will be hard work with great results. Remember, you only get out of it what you put in, so come to class on time and prepared to give it your best and I will do the same. I will never ask you to do something beyond your ability, so the words "I can't" are strictly forbidden.

The sport of cheerleading carries a considerable risk of physical injury. No amount of care, spotters or mats will prevent every injury. Although I take every precaution to insure that we have as few injuries as possible, I do require that all students and parents acknowledge that risk and fill out a release form before participating in any class.
